

9/2/16

Michael Hans - did not work together, know name, never met

- does not recognize name

b6 -3  
b7C -3

- DRD - data recovery dept.  
peers, then was pseudo supervisor  
became manager
- direct to search for CP? - NO
- nobody in company ever asked to search for CP on any device that he worked on <sup>life</sup>
- never been asked by FBI / BB Geek
- only instruction - search for items identified as important by client  
default, pictures, documents, music, video
- not aware of anyone at company being instructed
