CASE NO. 5:16-cv-04775-EJD

**[PROPOSED] ORDER GRANTING
PRELIMINARY APPROVAL OF CLASS
ACTION AND COLLECTIVE ACTION
SETTLEMENT**

Judge: Hon. Edward J. Davila
Hearing Date:
Time:
Courtroom:

1 On September 21, 2023, Plaintiffs Arun Vatturi and Kevin Alviso (“California Class
2 Representatives”), along with Donna Forsyth (now deceased, through her representative Chris
3 Forsyth), Dan Weiland and Shafiq Rahman (together “Named Plaintiffs”) brought an unopposed
4 Motion for Preliminary Approval of Class Action and Collective Action Settlement, seeking an
5 order to: (1) preliminarily approve the proposed Collective and Class Action Settlement
6 Agreement (“Settlement Agreement”) or (“Settlement”); (2) preliminarily certify the proposed
7 California State Law Settlement Classes for settlement purposes only; (3) appoint the proposed
8 California Class Representatives, Class Counsel, and Settlement Administrator; (4) approve the
9 proposed Notice and notice plan, and direct distribution of the proposed Notice; and (5) set a
10 schedule for final approval. Having considered the papers on the motion, argument of counsel,
11 and applicable law, the Court now enters this Order Granting Preliminary Approval and now
12 FINDS, CONCLUDES, and ORDERS as follows:

13 **I. NATURE OF THE ACTION**

14 Plaintiffs allege that HP Inc. (previously named Hewlett-Packard Company) (“HP Inc.”)
15 and Hewlett-Packard Enterprise Company (“HPE”) (collectively, “Defendants”), violated the Age
16 Discrimination in Employment Act (“ADEA”), 29 U.S.C. §§ 621, *et seq.*, and California’s Fair
17 Employment and Housing Act, Cal. Gov’t Code § 12900, *et seq.* (“FEHA”), Unfair Competition
18 Law, Cal. Bus. & Prof. Code §17200, *et seq.* (“UCL”), and common law, by terminating older
19 employees and replacing them with younger employees in workforce reductions.

20 Defendants have denied and continue to deny they have engaged in any unlawful conduct
21 or violated the ADEA or any California law, or are liable or owe damages to anyone with respect
22 to the facts or causes of action alleged.

23 **II. THE COURT PREVIOUSLY CONDITIONALLY CERTIFIED TWO ADEA**
24 **COLLECTIVES.**

25 On April 13, 2021, this Court granted Plaintiffs’ Motion for Preliminary Certification
26 pursuant to the standards set forth under the Fair Labor Standards Act (“FLSA”) and permitted
27 notice to be sent to individuals who were putative members of two separate ADEA collectives, so
28 that those individuals might determine whether to opt into this litigation as plaintiffs. After notice

1 was disseminated, 146 individuals opted into the lawsuit as party plaintiffs (the “ADEA
2 Plaintiffs”).

3 **III. PRELIMINARY CERTIFICATION OF RULE 23 SETTLEMENT CLASSES**

4 **A. The California Settlement Classes Meet the Requirements of Rule 23(a) and**
5 **(b)(2).**

6 Plaintiffs seek certification of two classes of individuals asserting claims under California
7 state law. For settlement purposes only, the Parties have proposed preliminary certification of the
8 following classes (collectively, the “California Settlement Classes”):

9 **The HP Co./HP Inc. California Class:** All individuals who had
10 their employment terminated by HP Inc. (including when HP Inc.
11 was named Hewlett-Packard Company) in California pursuant to a
12 WFR Plan between August 18, 2012 and February 15, 2022, and
13 who were 40 years or older at the time of such termination. As
14 provided in the operative Fourth Amended Complaint [Dkt. No.
15 389] (“FAC”), excluded from the HP Co./HP Inc. California Class
16 are: (a) individuals who signed a Waiver and General Release
17 Agreement (as defined in the FAC, n.1); and (b) individuals who
18 signed an Agreement to Arbitrate Claims (as defined in the FAC,
19 n.2).¹ In addition, any individuals who previously signed
20 agreements that waived and released the claims asserted in this
21 action are excluded from the HP Co./HP Inc. California Class.

22 **The HPE California Class:** All individuals who had their
23 employment terminated by Hewlett Packard Enterprise Company in
24 California pursuant to a WFR Plan between November 1, 2015 and
25 February 15, 2022, and who were 40 years or older at the time of
26 such termination. As provided in the operative Fourth Amended
27 Complaint [Dkt. No. 389], excluded from the HPE California Class
28 are: (a) individuals who signed a Waiver and General Release
Agreement (as defined in the FAC, n.1); and (b) individuals who
signed an Agreement to Arbitrate Claims (as defined in the FAC,
n.2). In addition, any individuals who previously signed agreements
that waived and released the claims asserted in this action are
excluded from the HPE California Class.

The Court hereby finds, for the purposes of settlement only, that the California Settlement

¹ The Parties have also agreed to exclude from the California Settlement Classes any individual who disclaimed in a legal proceeding any interest in participating or intent to participate in this action.

1 Classes satisfy all of the requirements for certification under Rule 23(a) and (b)(3). The Court
2 hereby finds, for settlement purposes only, that:

- 3 • The California Settlement Classes consist of approximately 244 individuals,
4 collectively, and are sufficiently numerous that joinder is impracticable.
- 5 • The members of the California Settlement Classes (“California Class Members”)
6 share common issues of fact and law regarding whether their terminations were
7 implemented in a manner that discriminated against older workers, including the
8 California Class Members, and whether Defendants violated California state law.
- 9 • The California Class Representatives’ claims are typical of those of the California
10 Class Members because they arise out of the same policies, practices, and course
11 of conduct complained of by all other California Class Members.
- 12 • The California Class Representatives are adequate representatives of the California
13 Settlement Classes they propose to represent because their interests are co-
14 extensive with those of the California Class Members, and they have retained
15 experienced counsel to represent them and the California State Law Settlement
16 Classes.
- 17 • Questions of law or fact common to the California Class Members predominate
18 over individualized issues, and a class action is superior to other available methods
19 for the fair and efficient adjudication of this controversy. Because certification of
20 the California Settlement Classes is proposed in the context of a settlement, the
21 Court need not inquire whether the case, if tried as a class action, would present
22 intractable management problems.

23 Accordingly, for settlement purposes only, the Court hereby certifies the California
24 Settlement Classes under Rule 23(a) and (b)(3).

25 **IV. Appointment of California Class Representatives and Class Counsel.**

26 For purposes of certifying the California State Law Settlement Classes, for settlement
27 purposes only, the Court hereby appoints Arun Vatturi and Kevin Alviso to represent the HP
28 Co./HP Inc. California Class and the HPE California Class, respectively.

1 The Court also finds that Jennie Lee Anderson of Andrus Anderson LLP and Doug Dehler
2 of O'Neil, Cannon, Hollman, DeJong & Laing S.C. have substantial experience in prosecuting
3 class actions and employment discrimination class actions. The Court appoints them as Class
4 Counsel.

5 **V. PRELIMINARY APPROVAL OF CLASS AND COLLECTIVE ACTION**
6 **SETTLEMENT**

7 The Court has reviewed the terms of the proposed Settlement Agreement, attached as
8 Exhibit 1, including the plan of allocation and release of claims. The Court also reviewed the
9 motion papers and declarations of counsel, which describe Class Counsel's legal and factual
10 investigation, and the settlement process. Based on review of those papers, the Court concludes
11 that the Settlement is the result of extensive, arm's length negotiations among the parties after
12 Class Counsel investigated the claims and became familiar with the strengths and weaknesses of
13 the case. The Court finds that the settlement process was non-collusive. Based on the Court's
14 review of papers submitted in support of preliminary approval, the Court concludes that the
15 proposed Settlement Agreement provides significant relief to the ADEA Plaintiffs and the
16 members of the California Settlement Classes, and that the release of their respective claims is
17 appropriately tailored to the allegations in the Fourth Amended Complaint. The Court concludes
18 that the proposed Settlement complies with the Northern District of California's Procedural
19 Guidance for Class Action Settlements, has no obvious defects, and is likely to be approved
20 pursuant to Rule 23(e)(2) at the final approval stage, such that giving notice to members of the
21 California Settlement Classes is justified. Fed. R. Civ. P. 23(e)(1)(B).

22 **VI. APPROVAL OF THE NOTICE PLAN AND DISTRIBUTION OF NOTICE**

23 The Parties have submitted for this Court's approval a proposed Notice of Class and
24 Collective Action Settlement ("Notice") to be disseminated to the members of the California
25 Settlement Classes. The Court has carefully reviewed that Notice, the related provisions in the
26 proposed Settlement Agreement, and the Memorandum in Support of Plaintiffs' Unopposed
27 Motion for Preliminary Approval, and finds and concludes as follows:

28 **A. Best Notice Practicable**

1 The Court concludes that the Notice and the plan to distribute the Notice constitute the
2 best notice practicable under the circumstances and allow the members of the California
3 Settlement Classes a full and fair opportunity to consider the proposed Settlement and evaluate
4 their options.

5 The Notice is written in plain English and provides clear examples to assist California
6 Class Members in evaluating their options and the consequences of their choices. The Notice
7 complies with this Northern District of California's Procedural Guidance for Class Action
8 Settlements in that it fairly, plainly, accurately, and reasonably informs the California Class
9 Members about: (1) the nature of this action, including the definition of the California State Law
10 Settlement Classes, the identity of Class Counsel, the key terms of the Settlement, and the address
11 for a website maintained by the Settlement Administrator, which has links to the Notice and other
12 important documents in the case; (2) Plaintiffs' forthcoming application for the Named Plaintiffs'
13 individual Service Awards, and Class Counsel's application for their attorneys' fees, costs, and
14 expenses; (3) how each ADEA Plaintiff's and each California Class Member's settlement share
15 will be calculated; (4) this Court's procedures for final approval of the Settlement, and about the
16 California Class Members' right to appear if they desire; (5) how to object to or opt out of the
17 Settlement if they desire; (6) how to obtain additional information regarding this action and the
18 Settlement, including instructions on how to access the case via PACER or in person at any of the
19 Court's locations; and (7) the date of the Fairness Hearing, advising them further that the date
20 may change without further notice and that they may check the Settlement Administrator website
21 or the Court's PACER site to confirm that the date has not been changed.

22 The proposed plan for distributing the Notice likewise is a reasonable method calculated
23 to reach California Class Members who would be bound by the Settlement. Under this plan, the
24 Settlement Administrator will verify California Class Member addresses, distribute the Notice to
25 all California Class Members by First-Class U.S. Mail, and conduct additional investigation if
26 Notices are returned as undeliverable.

27 **B. CAFA Notice**

28 Pursuant to the proposed Settlement, within ten (10) calendar days after Class Counsel

1 filed a motion for preliminary approval of this Agreement, Defendants provided notice of the
2 proposed Settlement to state and federal officials as required by the Class Action Fairness Act, 28
3 U.S.C. § 1715 (“CAFA”), regarding this action and the proposed Settlement.

4 **C. Approval of Notice and Notice Plan**

5 Accordingly, the Court hereby FINDS, CONCLUDES, and ORDERS as follows:

- 6 1. The form and content of the proposed Notice is approved;
- 7 2. The form and content of the Opt-Out Letter, as defined in Section VII.C.
8 below, is approved;
- 9 3. The manner of distributing the Notice and updating California Class
10 Member addresses through the National Change of Address database and
11 skip-tracing any returned notices, is approved;
- 12 4. CPT Group is approved as the Settlement Administrator authorized to
13 disseminate the Notice;
- 14 5. No later than five (5) business days after the date of this Order, Defendants
15 shall provide to the Settlement Administrator a list of all California Class
16 Members, including full name (maiden and married names, where
17 applicable), last known home address, last known personal email address
18 (if known), and last known personal telephone numbers(s), in Excel
19 format; and
- 20 6. Fifteen (15) business days after Defendants provide the list of all California
21 Class Members, the Settlement Administrator shall mail Notice to the
22 California Class Members, as set forth in the Settlement Agreement.

23 **VII. PROCEDURES FOR FINAL APPROVAL OF THE SETTLEMENT**

24 **A. Motion for Final Approval and Fairness Hearing**

25 The Court hereby schedules a hearing (“the Fairness Hearing”) for _____, 2023,
26 which is no earlier than one-hundred (100) calendar days from the date after the motion for

1 be filed, to determine whether the Settlement is fair, reasonable and adequate, to determine the
2 amount of attorneys' fees, costs, and expenses to be paid to Class Counsel, and to determine
3 whether the requested Service Awards for the Named Plaintiffs are proper. Class Counsel shall
4 file a Motion for Final Approval of the Class and Collective Action Settlement Agreement no
5 later than fourteen (14) days prior to the Fairness Hearing. Named Plaintiffs and/or Defendants
6 may file with the Court written responses to any objection at least seven (7) calendar days before
7 the Fairness Hearing.

8 The Court reserves the right to continue the date of the Fairness Hearing without further
9 notice to members of the California Settlement Classes.

10 deemed to have withdrawn their consent to join one of the ADEA Collectives and shall no longer
11 be an ADEA Plaintiff for any purpose, including for settlement purposes.

12 **D. Defendants' Right to Rescind Agreement**

13 Pursuant to the Settlement Agreement, if five (5) percent or more of the California Class
14 Members, collectively, opt-out of the settlement, Defendants shall have the right to revoke any
15 proposed settlement, preliminarily approved settlement, or any written and/or executed settlement
16 agreement within fourteen (14) days of being finally notified by the Settlement Administrator in
17 writing that the number of opt-outs exceeds the 5% threshold.

18 Further, if more than six (6) of the thirty-two (32) individuals who are both ADEA
19 Plaintiffs and California Class Members exercise their right to opt-out and be excluded from the

8 Settlement. Named Plaintiffs and/or Defendants may file with the Court written responses to any
9 objections at least seven (7) days before the Fairness Hearing.
